WATER IS LIFE

SHARED WATERS, SHARED OPPORTUNITIES

World Water Day
2009

TRANSBOUNDARY WATERS

Objectives of the LAUNCH:

- To build partnerships for advocacy in water as evidenced by a turnout of varied stakeholders to the launch of World Water Day 2009 by GWI;
- To show at least three reasons why management of transboundary water is important for Guyana;
- To present the winners of the Georgetown Schools Water Model competition;
- To provide an opportunity for the Minister of Housing and Water to highlight issues relevant to water; and
- To highlight challenges and solutions to water as developed by
